

## **Bless Me**

Bless me, bless me, bless me God indeed  
Death has been defeated He is our victory  
Bless me, bless me God not just for me  
But so everyone around me  
Can have everything they need  
Let all these folks that's with me, God  
Have everything they need

Favor, favor, let it fall on me  
'Til I'm the conversation of all my enemies  
Favor, favor, God, not just for me  
But so everyone around me  
Can have everything they need  
Let all these folks that's with me  
God, have everything they need

Bless me...

We got everything we need (Repeat)

(Solo Improvisation)

Persecuted not abandoned  
Criticized never forsaken  
Because God's a promise keeper  
I got victory because  
I shall live and not die  
Because Jehovah's by my side  
Did I tell you, He's a friend of mine  
Lift him up, lift him up  
And I never should forget  
He's never failed me yet  
Every trial, every test  
We bless, we bless, we bless, we bless
