

## **I Don't Know Where I'd Be**

Abandoned  
Forsaken  
Forgotten  
Without you

Heartbroken  
Pain Riden  
Unforgiven  
Without you

You came  
And (lifted)  
Me yeah i yeah i yeah

Lived me  
Forgave me  
Healed me, yeah

Oh, I'd be lost all alone  
in this world on my own  
Without you

I'd be deep in my sin  
With no hope or joy within  
Without you

I don't know where I'd be  
If it wasn't for you  
I don't know where I would be

Yes, yes  
Oh, yes, yes

You saved me by you power  
Raised me with your love, yeah

Thank you for saving me  
Thank you for your love, yeah

Ooo, Yeah
